

Advantages of TILE GRIP over other treatments.

- **TILE GRIP is a one step process.**
- **It does not discolor tile when applied.**
- **There is little to no odor when treating floors.**
- **Breathing equipment isn't required when being applied.**
- **TILE GRIP isn't painted on as with some abrasive filled products.**
- **TILE GRIP does not leave a gritty sandpaper type surface on the floor.**
- **TILE GRIP can be easily applied by any person, not recommended for children.**
- **TILE GRIP is economical and competitively priced.**
